§ 780.704

EFFECT OF EXEMPTION

Subpart H—Employment by Small Country Elevators Within Area of Production; Exemption From Overtime Pay Requirements Under Section 13(b)(14)

INTRODUCTORY

§ 780.700 Scope and significance of interpretative bulletin.

Subpart A of this part 780 and this subpart together constitute the official interpretative bulletin of the Department of Labor with respect to the meaning and application of section 13(b)(14) of the Fair Labor Standards Act of 1938, as amended. This section provides an exemption from the overtime pay provisions of the Act for employees employed by certain country elevators “within the area of production,” as defined by the Secretary of Labor in part 536 of this chapter.

§ 780.701 Statutory provision.

Section 13(b)(14) of the Fair Labor Standards Act exempts from the overtime provisions of section 7:

Any employee employed within the area of production (as defined by the Secretary) by an establishment commonly recognized as a country elevator, including such an establishment which sells products and services used in the operation of a farm: *Provided*, That no more than five employees are employed in the establishment in such operations * * *.

§ 780.702 What determines application of the exemption.

The application of the section 13(b)(14) exemption depends on the employment of the employee by an establishment of the kind described in the section, and on such employment “within the area of production” as defined by regulation. In any workweek when an employee is employed in coun-

try elevator activities by such an establishment within the area of production, the overtime pay requirements of the Act will not apply to him.

§ 780.703 Basic requirements for exemption.

The basic requirements for exemption of country elevator employees under section 13(b)(14) of the Act are as follows:

(a) The employing establishment must:

(1) Be an establishment “commonly recognized as a country elevator,” and

(2) Have not more than five employees employed in its operations as such; and

(b) The employee must:

(1) Be “employed by” such establishment, and

(2) Be employed “within the area of production,” as defined by the Secretary of Labor.

All the requirements must be met in order for the exemption to apply to an employee in any workweek. The requirements in section 13(b)(14) are “explicit prerequisites to exemption” and the burden of showing that they are satisfied rests upon the employer who asserts that the exemption applies (*Arnold v. Kanowsky*, 361 U.S. 388). In accordance with the general rules stated in § 780.2 of subpart A of this part, this exemption is to be narrowly construed and applied only to those establishments plainly and unmistakably within its terms and spirit. The requirements for its application will be separately discussed below.

ESTABLISHMENT COMMONLY RECOGNIZED AS A COUNTRY ELEVATOR

§ 780.704 Dependence of exemption on nature of employing establishment.

If an employee is to be exempt under section 13(b)(14), he must be employed by an “establishment” which is “commonly recognized as a country elevator.” If he is employed by such an establishment, the fact that it may be part of a larger enterprise which also engages in activities that are not recognized as those of country elevators (see *Tobin v. Flour Mills*, 185 F. 2d 596) would not make the exemption inapplicable.
